How would you like to get paid for advertising your business?

Why online advertising?

The demand for traditional television, newspaper and magazine advertising no longer works the way it used to... and the large companies know this.

They ***MUST*** spend their advertising budget on marketing where the majority of their customers are, and that's **ONLINE!**

Why online advertising?

According to emarketer.com over **\$500 Billion** has been spent **in 2015** on online advertising...
that's nearly **\$1.5 billion a day!**...
and rapidly increasing year after year.

**Would you like to be involved in this rapidly
expanding industry?**

Why online advertising?

Online platforms like Google, Facebook, YouTube and Yahoo grew into billion dollar companies after they started selling advertising on their websites.

The difference between Google, Facebook, YouTube, Yahoo &

LikesXL is based on revenue sharing.
This means that the majority of **LikesXL** profits are
shared out to the members on a daily basis.
Members get paid every 30 minutes.

Where do LikesXL profits come from?

Large companies and members pay **LikesXL** to advertise their video ads and websites

What is LikesXL?

LikesXL is an online **advertising** platform where top global brands can display their videos to a global audience to maximise their cost-effectiveness online.

LikesXL offers members, that purchase advertising from them, to also advertise along with these large companies.

LikesXL provides views and click-throughs to ensure these companies get the “Eye Balls” (traffic) to their ads and websites.

Exclusive contracts with advertisers

Through business relationships and contacts, **LikesXL** has secured **EXCLUSIVE contracts** with many large companies and corporate advertisers who are spending millions to be the 1st to advertise on the **LikesXL** platform.

More advertisers are being secured on a regular basis making the **LikesXL** business NOT purely dependent upon revenue from members only.

Who are our current advertisers?

Mercedes, BMW, Audi, Volkswagen, Renault, Volvo, Porsche, Ferrari, Levi's, McDonalds, Ben & Jerry's, M&M's, Red Bull, Coca Cola, Pepsi, KFC, Pizza Hut, Ikea, Lufthansa, Qatar Airway, Prada, Gucci, Versace, Chanel, L'Oréal, Red Bull Swarovski, Victoria Secret, Sony, LG, Disneyland, Armani, General Motors, Nike, Adidas, Atomic, Amazon, Dethleffs Caravans and potentially
YOU!

What is our product?

Our product is online advertising. When you buy a 'Public Relations (PR)' Pack for €50 you are buying 800 advertising views which you can use to advertise your business.

Click 10 ads once a day and **LikesXL** offers you a fantastic reward for creating traffic to the videos and websites of the advertisers. You receive €60 back for each €50 pack you purchase.

What do you get with a PR Pack?

800 advertising views to promote your website or page of your choice with a text advertisement

A screenshot of a web dashboard interface. On the left, a grey sidebar contains the word "Approved" in green, followed by statistics: "Views : 7003", "Clicks : 546", and "Views left : 800". The number "800" is circled in red. To the right of these statistics are three buttons: "Add Views", "Edit", and "Delete". A red arrow points from the "800" to the "Delete" button. On the right side of the dashboard, there is a white box with a black border containing the text "Incredible 4-Month Review!" followed by "LikesXL Members Watch My 4-Month Review And Discover How You Can Earn Even More Income Online!". At the bottom of this box is a blue hyperlink that reads "CLICK HERE TO SEE THE INCREDIBLE". A large, thick, purple curved arrow originates from the bottom left and points towards the advertisement box on the right.

Earning potential

**100% of people who join LikesXL
make money DAILY**

*(when they have purchased at least 1 PR Pack,
have an active membership and viewed 10 ads)*

- NO Selling
- NO Recruiting
- NO Sponsoring

How much profit share will you receive?

Profit share will fluctuate slightly each day as it is determined by the sales generated on any one day by the company as in any conventional business.

Currently each PR Pack is earning approximately €0.48 per pack per day and will continue to earn you each day until you reach a **maximum of 900 PR Packs**.

Note: There is no upper limit as to what each PR pack can earn per day.

How much profit share will you receive?

Each PR pack will continue to earn revenue until it matures and reaches its cap at €60 when it expires.

The popular strategy is to buy a new PR pack every time you make €50 profit in your available balance. This increases the speed of your earnings and build you a regular income over time.

**Quite simply, the more PR Packs you have
the more you earn each day.**

Simple and effective opportunity

- Requires approximately 3 - 5 minutes a day
- Earn every 30 minutes
- No technical skills required
- All you need is a computer, tablet or smartphone
- You can withdraw money daily
- Leverage your time and money
- A sustainable business for years to come
- A proven advertising product that delivers results
- Your payments, in and out, go directly via bank or debit/credit card

LikesXL is 2-Fold in nature

1. You can advertise online on the **LikesXL** platform
2. And you can earn by receiving profit share

LikesXL was developed for:

- Security/stability
- Longevity
- Sustainability and
- Legacy

Who is LikesXL?

Large companies and corporate advertisers are whole heartedly embracing the **LikesXL** business model and advertising platform and are spending millions in advertising here.

And **YOU** have the ability to benefit by **earning profit share** from those daily advertising sales paid by the corporate advertisers.

...*AND* of course by members *like you*, who participate by purchasing PR Packs as well.

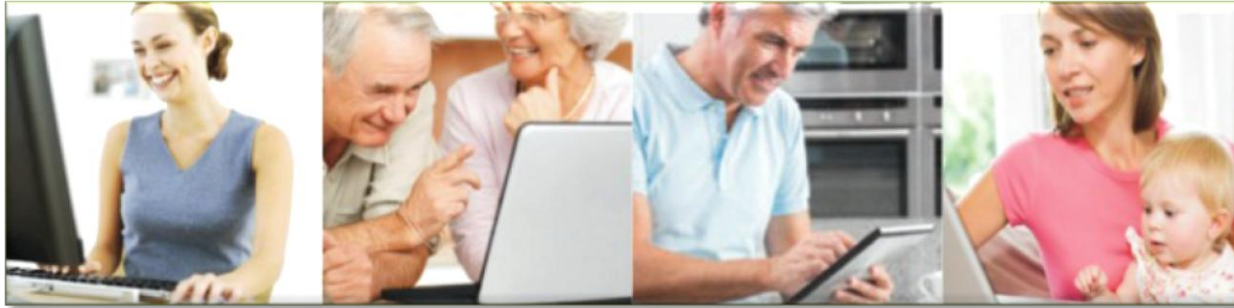

Are you grasping that these are **DAILY** sales...?

... *AND* that the revenue shares (profits earned) are paid out **EVERY 30 Minutes...?**

That's 48 Times PER DAY!

A light beige starburst graphic with a dark blue outline, containing the text "7 Days Per Week!".

How you can start generating an income with LikesXL?

Step 1

Buy PR Packs

Tip: buy as many as you can afford

This will take you approximately 3-5 minutes

Step 3

Repeat 10 clicks daily

That's all you have to do! Simply repeat daily and keep earning

Income & earnings disclaimer

Any earnings or income statements that may be made in this presentation are only estimates of what we think you could earn.

The success or failure of each individual is dependent upon their own efforts.

Do I have to recruit?

No, recruiting is not necessary to make money with **LikesXL**.

But if you do decide to introduce someone, **LikesXL** will pay you commissions on 5 levels.

THIS is where the **LikesXL** business **SHINES**
as it is the **ONLY** revenue sharing company to pay
5 LEVELS DEEP!

Referral commission

With the **GOLD** or **DIAMOND** level membership you will earn the following referral commission percentages on ALL of their PR Pack purchases:

- 8% for personal referral sales
- 4% for sales generated on your 2nd level
- 3% for sales generated on your 3rd level
- 2% for sales generated on your 4th level
- 1% for sales generated on your 5th level

Not just ONE time, but **EVERY TIME** they purchase or repurchase!

To receive bonuses for levels 3-5 you must activate the Downline Upgrade 3 (annual membership €180).

Referral commission

This happens all day long, *everyday*, as members are growing their account to 900 PR Packs by **repurchasing** with their earnings just like you will do!

Imagine just one of your **1st Level** members purchasing **5 PR Packs a day!** That's **€20** commission from *just ONE person*, per day!

Now IMAGINE commissions hitting your account all day long from **ALL 5 LEVELS !**

Example of earning down 5 levels

- **10 people on your 1st Level** who reach 900 PR Packs:
This will result in €800 PER MONTH for you, PER PERSON! **10 x €800 = €8,000.00**
- **10 people on your 2nd Level** who reach 900 PR Packs:
This will result in €400 PER MONTH for you, PER PERSON! **10 x €400 = €4,000.00**
- **10 people on your 3rd Level** who reach 900 PR Packs:
This will result in €300 PER MONTH for you, PER PERSON! **10 x €300 = €3,000.00**
- **10 people on your 4th Level** who reach 900 PR Packs:
This will result in €200 PER MONTH for you, PER PERSON! **10 x €200 = €2,000.00**
- **10 people on your 5th Level** who reach 900 PR Packs:
This will result in €100 PER MONTH for you, PER PERSON! **10 x €100 = €1,000.00**

Total in downline: 50 people

Total in monthly earnings: €18,000.00

PLUS... add to this your **OWN monthly earnings** from
YOUR PR Packs!

What if those 50 people were each at *only*
450 PR Packs per month?

That's still €9,000.00 PER MONTH...

...OR

What if you only had *3 people* on each level?

That's €5,400.00 PER MONTH!

Would even an **EXTRA €1,000.00** per month coming in month after month help you?

Are there any membership fees?

Yes, when you join **LikesXL** and buy a PR Pack you receive a 30 day free membership at the GOLD level.

Each member must choose a membership level to suit their situation after the first 30 days have expired. All memberships (monthly or annual) can be paid from the promotional budget.
