With our lucrative clients program, you may build an impressive extra revenue. Any time a prospect says no to the opportunity, he will buy one or more products. If this potential buyer places the order from your online shop you then receive a bonus that may be more than 100 €uro per order. You will also receive a bonus on what the clients of your direct partners will buy., as well as on those of the direct partners of your direct partners. This Clients Program is simple and efficient.

We call the Clients business volume **CUSTOMERS VOLUME (CV)**.

Every time a client orders products from your online shop, you receive **CV points**. Each point is worth 1 €uro **SALESBONUS**. You receive CVs also when the clients of your direct partners and of their direct partners purchase from their online shop.

Every time you cumulate **1000 CV points**, you receive a **special bonus of 200 €**

When a client orders a Family box in your online shop you receive **100 points CV = 100 € Sales bonus**.

When a direct partner has a client ordering a Family box, he receives the 100 CV points. As his sponsor, you receive **40 CV points = 40 €**. When a direct partner of one of your direct partner has a client ordering in his online shop a Family box, he receives the 100 CV points, your direct partner receives 40 CV points and you receive an extra **20 points CV = 20 € Sales bonus**.

A **direct partner** is a person that you have sponsored through your personal replicated site. Your direct partners are your **FIRST** Generation. The direct partners of your direct partners are your **2nd** generation.

Help us grow the Revtecs Network community. Have more than only clients, and have business partners. When you sign-up a new partner you earn a **direct bonus of 10%** on the net value of the Starter box. That's up to **200 €** on a Diamond Box.

WHITE BOX	BLUE BOX	GREEN BOX	RED BOX	BLACK BOX	DIAMOND BOX
€ 108.00	€ 249.00	€ 499.00	€ 799.00	€ 1099.00	€ 1999.00
11,00 €	25,00 €	50,00 €	80,00 €	110,00 €	200,00 €
Direct bonus	Direct bonus	Direct bonus	Direct bonus	Direct bonus	Direct bonus

Should a new direct partner sign-up with a Blue box, you receive a direct bonus of 25 €. When he upgrades to a higher box, you receive the difference. IE: When he goes from a White Box to a Diamond Box, you receive 182 € direct bonus.

Should you only have a Service Pack, you then receive a 2% direct bonus per box.

Revtecs Network functions with a binary plan. With only 2 partners you are ready for business. You build 2 teams. The more they grow, the more your business volume grows.

For each product or start box sold you receive QV points.
When you start with a Service Pack, you are not qualified to those bonuses.

The team with the biggest QV is the strong leg. The team with the smallest QV is the Pay leg.

The binary bonus is always 10% of the business volume of the pay leg.

Should your pay leg generates 20000 QV you receive a binary bonus of **2.000 €**.

Depending on the box you have chosen the binary bonus has the following monthly limits:

SERVICE PACK			not qualified
WHITE BOX	or 1 000 CV	1 000 €	monthly
BLUE BOX	or 2 000 CV	4 000 €	monthly
GREEN BOX	or 4 000 CV	10 000 €	monthly
RED BOX	or 6 000 CV	30 000 €	monthly
BLACK BOX	or 10 000 CV	50 000 €	monthly
DIAMOND BOX	or 12 000 CV	50 000 €	monthly

This maximum payment is on the binary bonus only. Should you hit the cap and want to earn more, you may upgrade at any time.
All other bonuses are paid separately.

You can increase your max binary payout with **client** business

The binary bonus is paid in the First week of the following month (ie: First week of June are paid the bonus of May)

Revtecs Network gives the Matching bonus a new dimension in our industry. With this bonus, you may with JUST ONE team build a huge passive income.

This bonus is a participation of the company's business volume of up to 60% of the binary bonuses in your line of sponsorship.

This bonus is a share of the business volume of up to 60% of the business volume in your sponsor line.

In order to qualify for this bonus you must have 1 direct partner per team with at least a Blue box.

The bigger your start box, the more important will be your matching bonus.

SERVICE PACK	- not qualified
WHITE BOX	- not qualified
BLUE BOX or 2 000 CV	- 10% on the 1 st generation
GREEN BOX or 4 000 CV	-and 10% on the 2 nd generation
RED BOX or 6 000 CV	-and 15% on the 3 rd generation
BLACK BOX or 10 000 CV	-and 20% on the 4 th generation
DIAMOND BOX or 12 000 CV	-and 5% on the 5 th generation

The Matching Bonus is paid regardless of your rank.

Even if only one person is in your pay leg, but with a blue box, you are qualified for this bonus.

With a Blue box and above, you receive 10% on your 1st generation.

With a Green box and above you receive an extra 10% on your 2nd generation.

A Red box and above adds another 15% on the 3rd generation.

A Black box will give you an extra 20% bonus on your 4th generation.

A first generation is composed of all your personally sponsored members. The second generation is of all the members sponsored by your personally sponsored members. Etc...

No matter how many partners there are, nor at which level of the binary they end up.

You may also qualify thanks to the Client program.

Revtecs-Network will reward you for each career step you reach. Reach a step and confirm it the following month: you are qualified and receive the bonus.

Confirm career steps means: You have reached a rank this month, you must do it again next month, or at a higher level. The volume is the one of your pay leg.

The higher you grow the higher the bonus:

BRONZE	- 100 €
SILBER	- 200 €
GOLD	- 300 €
SAPPHIRE	- 600 €
RUBY	- to be announced
EMERALD	- LEADERSHIP WEEKEND
DIAMOND	- 3 000 €
BLUE DIAMOND	- 6 000 €
PURPLE DIAMOND	- 12 000 €
RED DIAMOND	- 24 000 €
DIAMOND ELITE	- 36 000 €
GRAND DIAMOND	- 50 000 €
AMBASSADOR	- 100 000 €

When you reach the rank and you confirm the following month, then you are paid the Rank bonus.

Each month we pay only one bonus. Should you reach various ranks in the same month, they will all be paid one month after another. First month of confirmation, is paid the first rank bonus, then the following month is paid the second rank bonus reached, in the order you reached the ranks.

As a Ruby and Emerald you do not receive a cash bonus but a real value bonus. On top, you qualify for the Leadership Week-end. Those 2 bonuses do not need to be confirmed. More on page 11.

The World pool is another major potential income. One receives it starting from the Emerald rank. For each product sold a part of the profit goes into that pool. The world pool is paid with the other bonuses, at the beginning of the next month.

The higher the rank, the more shares of the pool you will receive.

The higher your career rank, the more shares of the world pool:

EMERALD	- 1 PART	- monthly confirmation
DIAMOND	- 2 PARTS	- monthly confirmation
BLUE DIAMOND	- 3 PARTS	- monthly confirmation
PURPLE DIAMOND	- 4 PARTS	- confirmation every 3 months
RED DIAMOND	- 5 PARTS	- confirmation every 4 months
DIAMOND ELITE	- 6 PARTS	- confirmation every 5 months
GRAND DIAMOND	- 7 PARTS	- confirmation every 6 months
AMBASSADOR	- 10 PARTS	- confirmation every 12 months

The value of the World pool is the division of the total pool divided by the total number of shares earned by all qualified members.

The more products are sold, the more money in the world pool.
1 € for a Revtecs Protection-Display and 2 € for a Windshield are allocated to the world pool. For each monthly subscription of the Revtecs Base, another 1 € in the pool.

The shares are calculated according to the actual rank in the given month, and not the lifetime rank. Starting at the Purple Diamond rank you are qualified for several months. Once the qualification period for a rank is over, you must requalify. Should you not requalify at the same level, you will be paid according to the real rank obtained.

The infinity bonus is the last of the bonuses. It is available starting at the Red Diamond level and above.

It is a share of the world wide business volume, up to 0.5%.

This bonus is shared proportionally to the global business volume of the concerned distributor team. The qualification period is the calendar month and the bonus is paid together with the world pool.

The higher your rank, the more shares you get:

RED DIAMOND	- 1 PART	- Confirm every 5 months
DIAMOND ELITE	- 2 PARTS	- Confirm every 6 months
GRAND DIAMOND	- 4 PARTS	- Confirm every 7 months
AMBASSADOR	- 6 PARTS	- Confirm every 12 months

The number of parts is calculated in proportion of the infinity bonus divided by the number of shares to distribute.

The number of parts is calculated as per the real rank (not the life time rank) of the pay leg. The higher you are the longer you stay qualified. After the qualified period, you will have to requalify. If not, you will requalify automatically at the rank of the previous month.
