# Key Market Players

 StakedWallet

# Solution

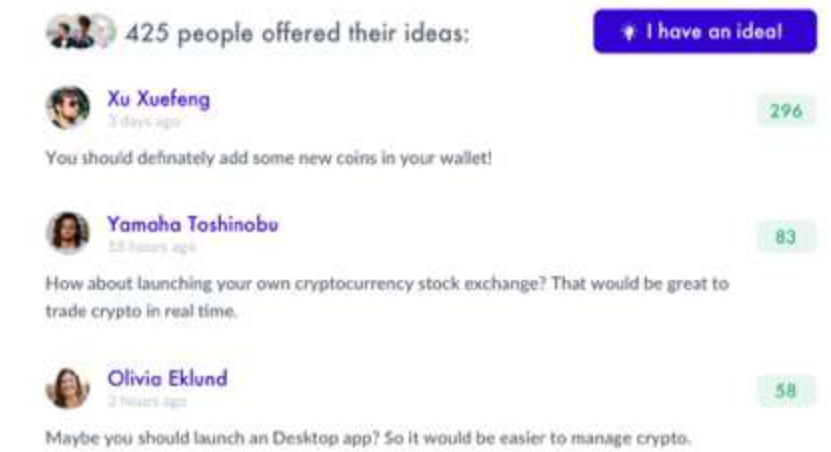

**0% fee**  
You can start from \$10

**Fair reward**  
we share our profits

**Open system**  
we are 100% transparent

**Democratization**  
of development

✓ We have disrupted this market

# Business Model

The Proof of Stake ecosystem lets StakedWallet investors get up to 1.5% of income daily. We use all available PoS income generating methods and contribute to technological progress significantly. With new elements added the ecosystem grows while investors' income is increasing along with it.

## PoS coin support

Initial support of new released tokens

## Pump and Dump

Stimulation of growth and dropping in PoS tokens price

## Proof of Stake

Up to 150% of income a year with a PoS mining method

## Cryptocurrency exchange

1% fee on every exchange on the platform

## Masternode rental

Renting masternodes for other wallets and exchanges

## PoS Trading

Up to 300% a month on PoS tokens trading

## Voting via Community

We provide an opportunity for the community to decide how the company is developing

## Node hosting

Providing facilities for partners and customers working with PoS

## Consulting

Ready-made solutions for companies wishing to work and earn PoS

# We are Leaders at PoS Market

Independent market research made it clear that StakedWallet is a leader in many parameters.

	coinbase	BINANCE	crypto.com	Ledger	HashQuark	InfStones	StakedWallet
